Applying to register an unregistered vehicle

If the vehicle comes from a licensed motor dealer:

The dealer will tell you what you need to do. Most dealers are authorised to check your identification on behalf of Transport for NSW. Show proof of your identity to the dealer.

If the vehicle does not come from a licensed motor dealer:

You need to have the vehicle inspected and identified. Most vehicles can be taken to an appropriate Authorised Unregistered Vehicle Inspection Station (AUVIS). To find an inspection station near you visit roads-maritime.transport.nsw.gov.au or contact Service NSW on 13 22 13. If your vehicle is inspected and identified at an AUVIS, the examiner should complete the vehicle details on this form and give you an inspection report.

To register the vehicle:

You will need to go to a service centre or send an authorised representative. If you send a representative you must fill in the Representative's Authority on this page. If the vehicle is being registered in the name of a corporation, the Representative's Authority must be filled in. For a company, the Director or an authorised delegate must complete and sign the Representative's section. In the cases of an incorporation association, it is the public officer who must sign. In all cases, the authorised representative must provide proof of their identity.

You must present:

- Proof of your identity;
- Transport for NSW copy of your compulsory third party insurance certificate;
- The inspection report;
- Proof of entitlement to register the vehicle, for example, an original receipt for the vehicle which clearly shows your name, the seller's name, address and signature, the date you purchased the vehicle, how much you paid for it, the registration number and the VIN or chassis number. For more information visit roads-maritime.transport.nsw.gov.au
- The old number plates if still in your possession.
- For home-made new trailers being registered for the first time, a Proof of Registration Entitlement form will be provided by staff, to be completed at the service centre, when you attend.

Stamp duty charges:

Stamp duty is collected by Transport for NSW on behalf of Revenue NSW when registration is issued to a different person or corporation. Stamp duty is based on the market value of the vehicle or the price you paid, whichever is greater. Stamp duty is calculated at \$3 per \$100, or part of the vehicle's value.

For passenger vehicles valued over \$45,000 with seating for up to 9 occupants, including: a sedan, station wagon, coupe, convertible, four wheel drive vehicle with seats and windows, two wheel drive panel van with seats and windows, three wheel car, forward control passenger vehicle, small bus, motor home, or snow vehicle the rate of stamp duty is \$1,350 plus \$5 per \$100, or part, of the vehicle's value over \$45,000.

You can use this method to calculate the amount of stamp duty payable for your vehicle, or you can use the motor vehicle registration duty calculator at revenue.nsw.gov.au

Note:

Except for heavy trailers over 4.5 tonnes GVM, if the vehicle you have is currently registered interstate, or has expired interstate registration, you must provide evidence that you have paid stamp duty in the State in which the vehicle was previously registered. You must provide a current certificate of registration. If the certificate of registration has been lost, a service centre can organise verification (minimum 48 hours required for verification).

Proof of Identity (POI):

Your POI documents must be originals and must include your signature and your residential address.

When you attend a service centre, you need to show proof of identity (POI). You can use your current Transport for NSW issued NSW driver photo licence or one which expired within the last two years. For a list of acceptable POI documents visit roads-maritime.transport.nsw.gov.au or call Service NSW on 13 22 13.
