#### **SECTION 1 - REGISTERED OWNER DETAILS**

Insert the name and address that is to appear on the Certificate of Registration.

IF YOU ARE NOT ALREADY A MOTOR VEHICLE REGISTRY (MVR) CUSTOMER, you will be required to provide Evidence of Identity and Evidence of Residency with this application.

IF YOU ARE NOT THE APPLICANT, you will be required to provide a letter of authority from the Registered Owner of the vehicle.

**BODY CORPORATE** - means a Company or Association registered under the *Corporations Act*. A body corporate vehicle owner should be aware that when an infringement notice for a demerit point offence is issued against their vehicle, significantly higher penalties exist for failing to identify the driver.

**POSTAL and RESIDENTIAL / STREET ADDRESS FOR SERVICE OF NOTICE:** This is the address where your renewal notice and other correspondence will be sent. You can nominate one of the applicants by marking the appropriate box, or complete the details of the address for service.

**REGISTRATION RENEWAL NOTICE SENT TO EMAIL ADDRESS:** You may nominate to have your registration renewal notice sent to your email address. Renewal Notices are a courtesy notice provided within (6) weeks prior to your vehicle registration expiry date. It is your responsibility to advise MVR should your email address change.

*INFRINGEMENT NOTICES:* In circumstances where only an offending vehicle is identified any Traffic Infringement Notices will be sent to the registered owner/operator of that vehicle. Where a vehicle has joint (or multiple) owners the infringement notice is sent to the first person (or body corporate) named on the registration certificate; or the Nominated Operator where nominated.

#### **SECTION 2 - HEAVY VEHICLES**

This section is only for vehicles and trailers over 4.5 tonnes GVM/ATM. In circumstances where only an offending vehicle is identified and there is a Nominated Operator recorded for that vehicle, any Traffic Infringement Notices will be sent to that Nominated Operator. If the Nominated Operator was not the offending driver then he/she should declare the fact to avoid the infringement penalty and any applicable demerit points.

# **SECTION 3 - DETAILS OF VEHICLE**

Enter the details of the vehicle for which registration is sought.

#### SECTION 4 - EVIDENCE OF ACQUISITION/OWNERSHIP

All applications to register or to transfer a registration require evidence of acquisition/ownership of the vehicle before the registration/transfer can be processed.

If the applicant is the last registered owner of the vehicle, the current (or last issued) Certificate of Registration bearing the applicants name is sufficient evidence. If the applicant is the last registered owner of the vehicle, and the current certificate of Registration is not available, the applicant may supply the current (or last issued) Registration Renewal type notice, bearing the applicants name, as evidence of ownership.

If the applicant is not the last registered owner of the vehicle, other evidence of acquisition/ownership is required.

A Renewal Notice, or an Invitation to Renew Registration is acceptable for evidence of acquisition/ownership ONLY where the applicant is named as the registered owner, AND is for the upcoming period immediately after the expiry of the current registration.

#### **SECTION 5 - REQUESTED PERIOD OF REGISTRATION**

Please note that the registration cannot be extended past the next Inspection Due date without passing a Roadworthy Inspection. If your vehicle is required to pass a Roadworthy Inspection, please attach the Inspection Report to this application.

COMPLIANCE CHECK: A Compliance Check is required for the first time registration of every vehicle brought into the NT.

*VEHICLE ROADWORTHY INSPECTION:* Vehicle Roadworthy Inspections for light vehicles (< 4.5 ton GVM/ATM) are required once the vehicle is 5 years old, 10 years old, then anually. Vehicles 5 years or older, seeking registration in the NT for the first time require a Roadworthy Inspection. All vehicles over 10 years old require a roadworthy inspection every year.

#### **SECTION 6 - CONCESSIONS**

# NT PENSIONER AND CARER CONCESSION and NT SENIORS CARD:

If this is the first time you are claiming an NT Pensioner and Carer Concession or NT Seniors Card, you must present your card to Motor Vehicle Registry for validation and recording purposes. If you have already presented your NT Pensioner and Carer Concession or NT Seniors Card to MVR, simply quote the number in the space provided.

#### PRIMARY PRODUCER CONCESSION:

Application for Primary Producer Concession, is to be attached to this application.

# SECTION 7 - NOTICE OF DISPOSAL (Transfer of NT Registered Vehicle)

**ARM'S LENGTH** - As a general rule, an arm's length transaction is a transaction made in good faith between parties with independent interests (e.g. between a motor vehicle dealer and the public). Typically, the parties would not be related or have any business connections.

# **SECTION 8 - DECLARATION OF APPLICANT**

**DUTIABLE VALUE:** In the case of a sale and purchase between parties who are at "arm's length" the dutiable value is the sale price of the vehicle. In any other case, the dutiable value is the market value.

*SALE PRICE* - Is the total amount paid by the purchaser, including any deposit, trade-in allowance, dealer delivery charges, the amount paid for any accessories or other equipment added to the vehicle (i.e. bull bars, airconditioning, towbar, window tinting etc.), and includes GST.

MARKET VALUE - Is the greater value of the vehicles market value at the date of the transaction, OR the vehicle's market value at the date of transfer.

**BODY CORPORATE** - A body corporate that is in control of a vehicle being used under a hire or lease agreement (ie. self drive hire) should be aware that when an infringement notice for a demerit point offence is issued against their vehicle, significantly higher penalties exist for failing to identify the driver.
